Ohio Power Company (“Company” or “AEP Ohio”) is procuring full requirements service for its Standard Service Offer (“SSO”) customers through a competitive bidding process (“CBP”), consistent with the Opinion and Order of the Public Utilities Commission of Ohio (“PUCO” or “Commission”) in Case No. 16-1852-EL-SSO.

The Part 2 Application consists of the online Part 2 Form and pre-bid security. Before completing this Part 2 Form, please review the CBP Rules and the Master SSO Supply Agreement so that you understand the conditions under which the auction will be conducted. You will be required to acknowledge your ongoing obligations before proceeding to the Part 2 Form. Terms not explicitly defined in the Part 2 Form are defined in the Glossary, the CBP Rules, or the Master SSO Supply Agreement. These documents are posted to www.AEPOhioCBP.com as they become available.

By having completed the Part 1 Form, you agreed to the CBP Rules and agreed to accept the provisions contained in the Master SSO Supply Agreement.

Information and materials that you submit in this Part 2 Application may be provided on a confidential basis to the Commission and their representatives. Representatives from AEP Ohio will decide whether the form of pre-bid security documents submitted is acceptable; pre-bid security documents other than cash will be redacted prior to providing such document to AEP Ohio representatives for review so as not to reveal an Applicant’s identity or the amount of the Applicant’s Indicative Offer.

Upon completion of the Part 2 Application process, the names of Registered Bidders will be provided to other Registered Bidders on a confidential basis, as well as the total Initial Eligibility aggregated across all Registered Bidders. As part of this Part 2 Application, you are required to certify that you will keep confidential the list of Registered Bidders and total Initial Eligibility that are provided to you.

INSTRUCTIONS FOR APPLICATION

Notifications

The Auction Manager provides all notifications to the Representative by email. Any notification or other written communication from the Auction Manager to a bidder that is sent by email will be sent the Representative and the Nominees. Any such notification or communication will be deemed received by the bidder at the time of delivery or transmission, provided that when delivery or transmission occurs after 6 PM on a business day or occurs on a day that is not a business day, receipt will be deemed to occur at 9 AM on the following business day. Any communication from the bidder to the Auction Manager by email regarding the application process should be addressed to AEP-CBP@nera.com.

Acknowledgment of Receipt

The exclusive method for a bidder to respond to the requirements of the Part 2 Application, with the exception of separately providing a pre-bid letter of credit or cash, is by completing the online Part 2 Form and uploading the required supporting documents to the application website. Upon first submission of the Part 2 Application (submission of the online Part 2 Form or submission of a pre-bid letter of credit or cash), the Auction Manager acknowledges receipt by email.

Timing of Part 2 Application Review

The last day of the Part 2 Window is called the Part 2 Date. If a Part 2 Application is received before 12 PM (noon) on any day during the Part 2 Window, the Auction Manager acknowledges receipt on the day the Part 2 Application is received with the results of an initial review. If a Part 2 Application is received after 12 PM (noon) on any day during the Part 2 Window prior to the Part 2 Date, the Auction Manager sends the acknowledgment of receipt along with the initial review by 12 PM (noon) of the next day. The initial review states either that the Part 2 Application is complete and is being considered, or the initial review states that the Part 2 Application is deficient.

Deficiencies

If the Auction Manager sends a deficiency notice to the Qualified Bidder, the notice lists items of the Part 2 Application that are incomplete or require clarification. If a Qualified Bidder receives a first deficiency notice from the Auction Manager, the Qualified Bidder has until 12 PM (noon) on the Part 2 Date, or until 6 PM on the day following the business day during which such deficiency notice is sent to the Qualified Bidder, whichever comes later, to respond. If the Qualified Bidder does not correct or adequately explain the deficiency within the time allowed, the Part 2 Application may be rejected. If the Qualified Bidder provides additional information and the Part 2 Application

becomes complete, the Auction Manager sends a notice that the Part 2 Application is complete and is being considered.

Late Part 2 Applications

No late Part 2 Applications will be accepted under any circumstances.

Part 2 Notification

A Qualified Bidder is registered as a bidder pursuant to a successful Part 2 Application if its Part 2 Application is received on or before 12 PM (noon) on the Part 2 Date and if its Part 2 Application is complete. The Auction Manager notifies each Qualified Bidder regarding its status by the Part 2 Notification Date.
